Work even until armhole measures  $8\frac{1}{4}$  ( $8\frac{1}{4}$ ,  $8\frac{1}{2}$ ,  $8\frac{3}{4}$ )", leaving 1 st at each armhole edge in stockinette and ending with a wrong side row.

# Shoulder shaping

Shoulders are shaped with short rows as follows:

Work across 18 (20, 22, 24, 24) sts. Bind off center 45 (47, 51, 51, 51) sts. Join new yarn, work across remaining sts until 6 (6, 6, 6, 6) sts remain on left needle. Wrap and turn. Work back across shoulders, working each with a separate ball of yarn, until 6 (6, 6, 6, 6) sts remain. Wrap and turn.

\*Work across until 12 (12, 12, 12, 12) sts remain on left needle, wrap and turn. Repeat once from  $^{*}$ .

Place shoulder sts on holders.

# Upper fronts

Decrease row: (right side) k1, k2tog, work 5x2 rib pattern as established until 3 sts remain on left needle, ssk, k1.

Working in 5x2 rib pattern as established, work 87 (95, 105, 109, 115) sts of front, working decrease row every right side row 3 (4, 5, 5, 8) times. 81 (87, 95, 99, 99 sts remain.

At same time, when armhole measures 2 (2, 2, 2, 2 ½)". deep, ending with a wrong side row, divide front for neckline. Work across 22 (24, 27, 29, 29) sts, bind off center 37 (39, 41, 41, 41) sts. Join new yarn, work across remaining 22 (24, 27, 29, 29) sts.

## Decrease for neckline

Decrease row: (right side) work 5x2 rib pattern as established until 3 sts remain at neck edge, k2tog, k1. Switch to other front, k1, ssk, work across remaining sts.

Working both fronts at same time, work this decrease row every right side row 4 (4, 5, 5, 5) times. 18 (20, 22, 24, 24) sts remain on each front. Work even until armhole measures 8 ½ (8 ½, 8 ½, 8 ½, 8 ¾)", leaving 1 st at each armhole edge and neckline edge in stockinette and ending with a wrong side row.

# **Shoulder shaping**

Work short rows for front shoulders as for back. Join front shoulders to back with a 3-needle bind off.

### Sleeves

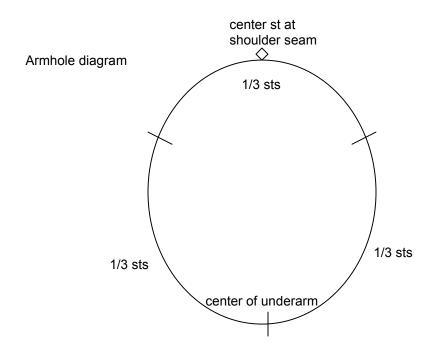

Sleeves are worked in 5x2 double eyelet rib pattern.

Pick up 1 (1, 1, 3, 4) st(s) from holder at underarm and knit. Continuing around armhole, pick up and knit sts in every 2 out of 3 rows of armhole. Pick up 1 st in shoulder seam. Continue around armhole, picking up and knitting sts in every 2 out of 3 rows. Pick up and knit remaining 1 (1, 1, 3, 4) st(s) from holder. Place marker for beginning of round.

Count number of stes picked up around armhole, including sts knitted up from holder. To calculate pattern placement, find center st that was picked up from shoulder seam. This will be the center st of the 5 st eyelet rib. Count back from this st to determine point at which to begin 5x2 eyelet rib pattern. Keep one st on each side of marker in stockinette, as for body.

To calculate sleeve cap shaping, divide total number of sts picked up around armhole by 3. Working first round in pattern as calculated above, work around 2/3 of armhole sts, placing marker at 1/3 st point.

Working in 5x2 double eyelet rib pattern as established, work to 2/3 of sts, place marker, work 1 st, wrap and turn. Work back across sleeve cap to 1/3 point marker, work 1 st, wrap and turn. \*Work back across sleeve cap to wrapped st, picking up wrap and working with st, work 1 st, wrap and turn.\* Repeat between \*s until all picked up sleeve sts have been worked. Do not include sts originally picked up from holder in short rows.

### Sleeve decreases

Decrease round: ssk, work in pattern as established until 2 stes before marker, k2tog.

Work this decrease round every 4<sup>th</sup> row 3 (3, 3, 4, 4) times. Work even until sleeve measures 1 ½ (1 ½, 1 ¾, 2, 2 ¼)" from underarm, or until sleeve is desired length, ending with row 1 of chart. Bind off in rib.

*Note:* If lengthening sleeve, you may wish to continue working decreases.

# Neckline edging

Starting at middle back, pick up and knit in every other bound-off st of back and front and every other row of neckline.

Cast on 6 sts onto left-hand needle using knit cast-on. Begin working simple lace edging chart, slipping first st purlwise with yarn in front every right side row to make chain edge. Knit last st of edging together with one picked-up neckline st every right side row.

When all picked-up sts have been used, attach last row of edging to first with 3-needle bind off.

# **Finishing**

Weave in all ends.
